

*How were they passed on,
These flaming sticks,
Or Vapes,
Or whichever way
It is currently passed into
The body,
Present in all cowboy
Picture, And
To Every grown adult,
From generation,
To generation,
And why only
To The adults,
What did it mean,
To be an adult then,
Since you were too grown,
To have fun like children,
So then To Be an Adult,
In terms of,
Having fun,
And chilling,*

*The
Adult Way,
From Our great grandfathers
To our current living ones,
To Feel things
Entirely out of this 
Not safe for the children,
They feared it would do
Extra high things to
Their already high minds,
Trying to understand,
Their new world,
~~Viva La Vida - Coldplay~~
Adulting - She Called It
She had also felt it,
The one thought
So out of mind
That makes you question
Your own existence
So back to the question
How were they passed on*

*Discovered first,
Coincidence or Nature
Have you ever asked
Such questions*

*Damn,
Life is so full
Of them wonders? Oi lad?
Butcher would have said,
~~Too good at Goodbyes~~ — Sam Smith
How were they passed on,
Introduced or Initiated,
From when they were discovered,
~~Happier~~ — Marshmellow, Bastille
A wannabe an Ancient Question
~~Love On The Brain~~ — Rihanna
